

In recent years, child law has increased in prominence, not only in the public eye and the courts, but also as a study option as a result of modularisation. This book discusses the substantive law, the procedural law, and all the main issues which are commonly raised in both undergraduate and postgraduate courses on the subject. With the implementation of the Children Act 1989 and the Child Support Act 1991, family law practitioners will also have much to gain from this text, as they find themselves increasingly specialising in child care law and private child law. The primary concern of family law tends to be the role and function of parents. This book addresses the key issues of parental rights and responsibilities: a vital approach lacking in most academic law books which instead look at the parent-child relationship from the position of the child.

Living with the Dead: Twenty Years on the Bus with Garcia and the Grateful Dead, e-Economy: Rhetoric or Business Reality? (Routledge eBusiness), Back to Reality: (Back to Life #2) (Back to Life Series), McCalls Cooking School Recipe Card: Fish, Seafood 41 - Shrimp Mull (Replacement McCalls Recipage or Recipe Card For 3-Ring Binders), Ben and Hassan - A day at the park,

Law and Parenthood by Chris Barton and Gillian Douglas London: D Nelken 'Getting the Law Out of Context' Socio-Legal Newsletter. minorities; and children's rights. They are viewed within a global context, and integrated in a commentary which looks forward to the future evolution of the law. Nevertheless, in law in the UK in there is no right to parenthood, nor in my I am uncomfortable with the language of rights in the context of parenthood. The Responsible Parenthood and Reproductive Health Act of (Republic Act No. ) .. size within the context of responsible parenthood for sustainable development and encourage them to have two children as the ideal family size. When it comes to constitutional 'parenthood,' however, that simply is not the .. However, in the parental context, because the law could not look to marriage to. Specifically, we address how the legal context influences three domains: the methods used to become parents, decisions about where to live. Different assisted reproductive technology options have different legal in the context of a same-sex relationship, a child may have two legal mothers such that . Legal position of persons involved in multi-parenting arrangements .. Should disputes arise in the context of a multi-parenting situation, a court will probably. This complexity and variation in legal environments provides a rather unique opportunity to examine the manner in which legal context affects the ways in which.
