First Waxing: I sat back on the chair nervously. The way the stirrups were set up made me feel extremely vulnerable. My legs were spread open with every part of my pussy exposed. There was nowhere to hide. Pam immediately began to scoop up some of the wax, spreading it on the top of my mound with a wooden popsicle stick. The warm wax cooled against my skin, embedding my soft hairs in the gel.

Sapphic Dorm: She smiled up at me, clamping her pillowy red lips around my right nipple. I gasped. Her mouth was so warm. Her tongue rolled my tender nipple in her mouth. She grabbed my other breast with her hand, massaging it. I had never been touched this way by a girl before. I was conflicted. Her mouth was so soft and warm, yet, she was a girl! I wasnâ€™t into girls, was I?

The New Girl (The New Dom Series) She did as she was told, kissing, licking, and nuzzling the top few inches of my thighs. I could feel her breath on my pussy as she moved past, and I knew that I was wet. I looked up at Sir while she kissed me, feeling the gentle, velvety touch of the tip of her tongue, the soft wetness of her lips. His eyes were intent on me, not on her almost naked body, but on watching my experience with her.

The Reversal (The New Dom Series) The sharp cracks of her small hand slapping my ass seemed impossibly loud in the small room. I cried out, shocked and hurt, and she was on me in a second. She got three fingers into my mouth before I closed it and she straddled me on the bench, one hand holding my throat, the other keeping my breath for me.

Sketches I gasped when I saw what it was. The sketch was remarkably lifelike, the smooth curves of the girl soft and feminine. Her round breasts shiny with sweat, or something else. Her face was the splitting image of me. I blushed, embarrassed at what I saw. Grabbing my stuff quickly, I ran out of the cafe. She was already halfway down the street.
