

Laura loves to practice. She's been a kangaroo, a parrot, and a crocodile—but nothing beats being a LION! It's fun to leap, run, and roar really loudly, isn't it? Laura's patient parents aren't so sure. So when Laura takes a lion-sized leap too far, she gets a small telling off. But like all good lions, Laura soon bounces back, and it isn't very long before her Mom, Dad, and baby brother are joining in the game. A warm, funny, and reassuring book, which celebrates the joy of imaginative play and the importance of patience and family love. A funny, lively debut from a brand new picture book talent.
