

From the author of *The Opposite of Me and Skipping a Beat*, an original eBook short story that shows whom we fall in love with may be the biggest and happiest accident of all. Ilsa Brown wasn't expecting a little, injured dog to lead her to the love of her life. But within months of their first meeting on a street corner in L.A., she and Grif, the dog's owner, are engaged. Things between them are so blissful that Ilsa is stunned by the tension that erupts during their visit to Chicago to meet his parents, where she discovers that Grif's old girlfriend, Elise, is still woven into his family. What Ilsa needs to know before she can walk down the aisle is whether Elise is still in Grif's heart, too. Featuring a character from Sarah Pekkanen's original eBook short story *All Is Bright*, *Love, Accidentally* is surprising and heartfelt. It's a story about taking chances and choosing hope, and discovering what it means to love someone and to let go of someone you love.
