

This Volume collects for the first time Katelyn Skyes 4 bestselling series: All For Love, Ready For Love, Awakening Desire, Love Her Madly. All For Love Ariel has it all: a long-term boyfriend, a steady job, and her own apartment in the city where she was born. But she begins suspecting that there is much more to enjoy than she is currently experiencing and she has a growing desire to find out more. One evening a chance whim causes her to leave her cozy life and go exploring in the woods where she meets Jake. A mysterious and sexy encounter leads them to an isolated cabin where they are free to explore both of the deepest desires. Will this experience satisfy her yearning for adventure, or awaken a deeper passion? Ready For Love Candace's faithless fiancée leaves her standing at the altar while he takes his lover off on the honeymoon that was supposed to be theirs, Candace decides to head to an isolated inn for a week of crying into her chocolates in solitude. Once there, boredom takes her out snowshoeing right as a storm is about to hit. Hurt and lost she stumbles across the cabin of virile and jaw-droppingly sexy Lucas, a man who wants nothing more than to be left alone until he sees Candace naked in his bed. Awakening Desire Stacey ran away from everything eight years ago when her mother passed away. At the time, she just needed to forget everyone and everything in the small town where she grew up but she didn't realize at the time that she was running from something else. Aaron Ellis was the one that got away, the high school crush that she never really got over. Although when she left she never thought she would have to deal with seeing him again but tragedy strikes once more in Stacey's life, this time bringing them together instead of tearing them apart. But the two lovers aren't the same people that they once were. Will Aaron ever be able to trust that Stacey won't run off again, especially in light of his shift in personality? And better yet does she want him to? Love Her Madly Darla Scott has just lost one of the most important people in her life. As she heads back to the home she left behind to attend the funeral, she cannot imagine that someone else is about to enter her world and turn it upside down. Henry Barrett, Darla's long-lost childhood friend, has grown into the embodiment of everything she has ever dreamed to find in a man. Darla falls fast and hopelessly, but can this newfound perfection really last? This ebook contains very hot descriptions of romantic activity, submissive themes, BDSM, rough sex and Alpha-Males.
