

Madeleine Becker and Reid Connely both come from a world of pain. Despite their best efforts at guarding their hearts, love finds its way into their lives. Ever the bad boy, Reid walks away when things get too difficult. Coming face to face with the horrors of his past only helps to strengthen the bond that he has created with Maddy, and together they learn how to embrace the love they've created. Follow Maddy and Reid on their journey where they learn how to let love in so that it can stay and shine forever. **Let Love In:** What would happen if you lost everything? If the people who were supposed to love you unconditionally were no longer there for you, how would your world change? That's exactly what happened to Madeleine Becker when her parents died when she was ten years old. Ripped from her home and everything that she has ever loved, she is forced to start all over again. The only way for her to move on is to build walls around her heart and keep everyone at a safe distance. Her logic: she can't get hurt if she doesn't fall in love. That theory is blown to pieces when she meets Reid Connely during her freshman year at college. He is gorgeous and darkly mysterious. He understands Maddy's pain all too well, but sharing his pain would mean breaking down the walls he put up around his own heart. Conflicted between loving Maddy and hiding his dark past, Reid starts to reevaluate his world. Maddy's inner strength, snarky personality and breath taking beauty help Reid to make peace with his past. Together they find out what happens when they let love in. **Let Love Stay:** If you're lucky, you'll fall in love "truly, madly and deeply in love. But what happens when that honest and pure love isn't enough to erase your fears? What happens when your past rears its ugly head and threatens your future? Maddy and Reid had that kind of love "the all-encompassing, Earth shattering, once in a lifetime kind of love. Then life happened. Old wounds that were thought to be long healed and scabbed over are ripped open and they are forced to face the possibility that, maybe, they are not strong enough to fight their demons and embrace the light. Together, they found out what love is, but now they will each need to heal on their own before they can ever be together again. They must face their fears and beat down their pasts in order to find their way through this crazy uphill battle called love. They've let love in, but now, they need to find out how to **Let Love Stay.** **Let Love Shine:** What comes after "they lived happily ever after"? Maddy and Reid have seen their fair share of trials and tribulations, of love and loss. Facing down the biggest challenges of their young lives, they managed to survive and endure. With the future stretching out before them, they must learn to navigate new and unfamiliar paths. Being new parents, starting new jobs, and continuing college is enough to overwhelm any couple. New challenges come up daily, as do small victories. Watch Maddy and Reid grow stronger together in this "one year later" tale of the everyday stuff that happens in real life. With a solid foundation of love under their inexperienced feet "and with the help of their family and friends "Maddy and Reid learn how to let love shine, lighting the way for a beautiful future to come. **Series Reading Order:** **Let Love In- Maddy & Reid** (ends in a cliffhanger) **Let Love Stay - Maddy & Reid** (concludes their story) **Let Love Heal - Melanie & Bryan** (can be read as a standalone) **Let Love Shine - Maddy & Reid** (one-year-later follow-up novella) **Let Love Be - Lucy & Evan** (can be read as a standalone) Books #3 & #4 are available now, but are not included in this bundle as they are standalones within the series.
