

**A MAIL ORDER BRIDE BILLIONAIRE ROMANCE** A mail order bride needs to risk her husband's love to ask for money to help her family. Life was comfortable for Caroline, living in a prospering Virginia town in the late 1880s. Until tragedy strikes the family and their livelihood is in jeopardy. Caroline may be the only one with the power to change that. She is young, pretty and loves her family more than anything. Caroline sees an ad in the paper for a mail order bride. The ad was placed by a wealthy casino and restaurant owner, named George O'Doyle in Arizona, a man frustrated by the lack of quality women in the West. Willing to sacrifice her comfort on a gamble, she decides to answer the ad. Will there be enough time to save her family? Will George even be willing to help them? Despite her original motive, will Caroline find love with a man from across the country? The answers for Caroline and her family lie 4000 miles from their home in the hands of a stranger. This is a short-story romance with NO cliffhanger and includes various bonus stories at the end. Enjoy!
