

After years of being out of the gigolo lifestyle, Malcolm has good looks, his rolodex, and his reputation. This time he vows that nothing will stand in his way of getting back on top and creating a franchise of escort services worldwide. He disguises his gigolo lifestyle as a nightclub owner in Miami -- the perfect cover to mix business with pleasure. But with high rewards come high risks. Malcolms world is turned upside down when he begins a relationship with Alex Nelson, the wife of a powerful and corrupt U.S. Senator. When Alex and Malcolm are suspected of knowing too much about an unscrupulous billion-dollar deal they suddenly become targets. He will need all of his military training and street smarts to get his life back and to get revenge!
