

Mending Fences is Book 1 in the Texas Heat series and it features the lively O'Connor family who work hard and love hard. Marlene is one of the Red O'Connors kids and she's got her dad's fiery temper. Itching for something bigger, she left the family ranch in Texas and hasn't been back for a while. Now, for the first time in months, she's back on vacation where she meets Curtis Copeland who is working as a ranch hand on Circle O. The last thing Marlene wants is any form of relationship, she has a full life already and it's not on the farm. Curtis has different ideas though; he's waited ten years to finally have Marlene and fate or destiny delivered her to him. Yet everything seems to be working against them. Marlene's family is dead set against the relationship and Curtis harbors a ten-year-old secret that can tear them apart. Whether they will be able to overcome the obstacles to be together is a question neither Marlene nor Curtis can answer.
