

Kyle “ A dangerously handsome creature of the night “! He™d expected an unusual greeting when he knocked at the door of the spooky manor house, but Kyle Fletcher wasn™t ready for the fireworks in Samantha Lyons sparkling violet eyes! He™d come to interview her movie-legend grandfather, but the mysterious wildcat who ran Baron Lyons™ film studio captured Kyle™s interest more—even if courting her meant facing down ghosts! She made him dream of silk sheets and thunderstorms. No one else dared call her Sam, dared stroke her with sensual magick until she lost control in his arms—but still she feared Kyle was the enemy; a reporter who might betray her family...or break her tender heart. She had a talent for making illusions seem utterly real, yet desperately yearned to believe in the truth of Kyle™s love. Could he convince his stubborn witch that he adored the woman she was?
