

After his past bad relationship, twenty-nine-year-old, newly promoted, record label CEO Jackson Whitmore vows never to love again. With his best friend and vice president, Eric, at his side, Jackson's main focus is the business, until a beautiful woman, Milan Wells, waltzes into his life and is introduced as the new president. While Jackson wants to object to the decision, it becomes difficult when Milan brings forth bold and fresh ideas, catching both his and Eric's attention; for different reasons. Tensions soon arise when Milan and Eric's competitive natures collide forcing Jackson to intervene causing a rift between the once inseparable duo. With rumors of Milan's abusive relationship surfacing and Eric spiraling out of control, Jackson finds himself stepping up to protect Milan and entering an intense physical relationship. While Jackson and Milan are slowly falling for one another, Eric's jealousy erupts into a vicious quest for revenge that plunges the lovers into danger they never imagined.
