

Few author-illustrators share Mo Willems' keen insight into the minds of young children. Dubbed the master of the doodle, Willems inspires his readers to laugh and think, and perhaps most importantly, to express themselves creatively. Chronicling Willems' life and development as an illustrator and storyteller, this lively volume provides insight into his whimsical sensibility and demonstrates that hard work can be fun if you love what you do. In line with Common Core Standards, text features, including quick fact and vocabulary boxes, help readers quickly locate important information and allow them to approach Willems' works with new understanding and appreciation.
