

My First Latino Scene Book builds on acting skills kids have developed in the First three monologue books in this ground-breaking new collection for K-3 students. Having successfully tackled the monster that is the monologue, students are ready to work with each other in dramatic scenes. This collection of fifty two-person scenes is chock-full of conflict, friends and family, and everyday situations that children can relate to: spending bus fare on a bake sale, eating too much, taking dares, pretending to talk with animals. At the beginning of each book, are acting guidelines to help children play the scenes effectively. Questions at the end of each scene encourage them to delve deeper into the situation and the characters, sparking interesting classroom discussion. Illustrations throughout for students to color. As with the monologue books, M. Ramirez weaves commonly used Spanish words and idioms into essentially English material. ABOUT THE SERIES My First Acting Series introduces children, ages 5 to 9, to the basic elements of acting, directing, and producing a live theatrical performance and, in so doing, teaches kids how to think critically, solve problems, and work cooperatively with their peers. This groundbreaking new series is for truly beginning actors, designed to incorporate theater and its benefits into childrens lives at a young age by giving teachers and parents an accessible and applicable series with which to supplement their childrens reading or social studies curriculum in a fun and interactive way. Each book builds on the one before it, so skills grow as students grow. A better alternative to Readers Theater, My First Acting Series is written by professional playwrights, and sufficiently engages children, encourages them to cooperate, and develops their creative expression. Within this series, the Latino/English Collection is designed to support K-3 classes that include students whose first language, or language most frequently spoken at home, is Spanish. M. Ramirez has written accessible material that weaves commonly used Latino words and idioms into essentially English material. This Latino flavor breaks down language barriers and allows Latino kids to focus on the work at hand -- learning to act -- while progressing in sync with schoolmates who are more comfortable with commonly available dramatic material. SERIES BREAKDOWN My First Acting Series contains two collections for K-3 students. The Latino/English Collection by M. Ramirez, and the Standard/English collection by Kristen Dabrowski each include three monologue books, two scene study books, a technique book and a teachers guide. The acting technique book includes games, exercises, and acting technique lessons; the teachers guide is complete with readymade lesson plans and suggestions on how to incorporate the material into existing curriculum.
