

With more than 10 million books sold, the My Weird School series really gets kids reading! The reading scores at Ella Mentry School are way down, so Mr. Macky has decided to hire a special new helper to whip the kids into shape—Miss Klute, a Labradoodle! A.J. and his friends don't understand why they have to read to a therapy dog every day at story time, until the first time they do it. Suddenly everyone wants a turn reading to Miss Klute! But when the kids decide that Miss Klute is spending too much time inside listening to stories—that their therapy dog herself needs therapy—they let her outside, and all chaos breaks loose! Perfect for reluctant readers and word lovers alike, Dan Gutman's hugely popular My Weird School series has something for everyone. Don't miss the hilarious adventures of A.J. and the gang.
