

A guilty pleasure. A wicked desire. A lusty kink. A hidden fetish. Everyone has a few naughty little secrets. All of Stacie Purcell's secrets are in the red story binder she keeps in her messenger bag. An aspiring writer, Stacie dreams of the day her sexy stories will get published. But when she misplaces her binder, she is frantic, worried she'll never see it again. Desperate to get it back, she's willing to do whatever it takes. Tyler Murchison can't help noticing the cute little blond in his car repair shop's waiting room, her nose buried in her red binder. Closing up for the night, he discovers a not-so-innocent piece of paper and a mysterious messenger bag in the waiting room. Intrigued by the drawings of sexual positions and the erotic fantasies Stacie weaves in her stories, he returns the binder, and offers Stacie a chance to experience all the incredible sexual delights she writes about. But can a single night of wild, passionate sex lead to something more?
