

Long hours... Overworked... Underpaid, sounds familiar? Jackie Sullivan considers herself a very hard working and dedicated nurse, yet sometimes she wants to give in to the vigorous demands. Jackie convinces her private, and secluded, husband to take a long, overdue vacation with their neighbors from across the street. Reluctantly, he agrees with the intentions of disclosing a very dark secret he knows about his wife, and his neighbor's husband. Christian Sullivan thinks he has his beautiful red-head wife all figured out, but the more he digs, the more he finds himself sucked into her world of sadomasochism, which brings out a side of him he never knew existed. Jackie returns to North Carolina after being introduced to a drug called "Carl". Her new fetish is so powerful she finds it difficult to shake, and it finally destroys her marriage. Now that she's eaten from the "forbidden fruit", she vows not to stop until every tree has been picked clean, causing her to become the Naughtiest Nurse in North Carolina. The first of the series
