

Highly Recommended Book on Norwegian Cats and Kittens  
The book contains proven steps and strategies on how to pick out and raise a Norwegian Forest cat for showing, breeding or as a loving companion. Inside this book you'll discover things:  
How to select the best cat from the breeder by asking these questions that most people forget  
What age you can bring them home and why some breeders want you to wait  
The easiest way to make sure your cat settles in perfectly and doesn't get stressed  
Essential health tasks that you may not realize about the Norwegian Forest cat  
What you must check for regularly (and importantly what not to do)  
Specific health issues found in the Norwegian Forest cat (and how to check for it)  
A great tip for selecting a really good vet (and what to look for)  
Understand their behavior and why they do certain things  
How to stop different types of bad behavior the easiest way  
Help them cope with shyness and fear  
Discover how to train them like a professional  
What you need to win at the shows  
Breeding? Here's what you need to know for best results  
If you ever have to travel with your cat you'll need this guide and so much more....
