

Since time immemorial, Krampus has played second fiddle to Santa Claus, delivering lumps of coal--and occasionally whippings--to individuals who haven't been nice enough to deserve a gift from old Saint Nick. This holiday season, however, the horny devil has something a little naughtier up his sleeve: a scheme to transform Father Christmas into a hot, sexy woman. Santa will be so distracted by her beautiful new body, he figures, the workshop will fall into chaos and no one will get what's on their wish list! His plan goes off without a hitch. When Santa takes a bite of one of Krampus's special Christmas cookies, the old man's long, white beard and jellylike belly disappear along with his cock, and he sprouts breasts and a pussy! After the transformation, Miss Claus can't resist letting one of her surprisingly well-endowed helpers stuff her stocking. One thing leads to another, and she's taking elf cocks in the pussy, ass and mouth. When Krampus shows up to laugh at Santa's predicament, he's so turned on by what he sees that he can't resist getting in on the menage. He even gets the chance to punish his rival for her naughty behavior by giving her a few swats on the behind with his trademark birch branch!
