

This cautionary tale for mice, reminiscent of Lewis Carroll's *Jabberwocky!*, was a 2010 E.B. White Read-Aloud Honor Award winner. What will happen to the brave mouse Jam when he breaks the rules and goes for a moonlit adventure against the advice of the elder mice? Award-winning illustrator Barry Moser has created a dark and vivid mouse world to complement Denise Doyens' clever nonsense words and rhyming prose that will keep kids on the edge of their seats. A rollicking yarn with a classic feel that is sure to please children AND adults.
