

Los principios del liderazgo son tan simples que se nos han olvidado por completo. Confundimos la autoridad con el poder y el respeto con el miedo, lo que lleva a unas relaciones tensas y recelosas entre jefes y subordinados, y a un triste resultado: cuando un equipo trabaja para contentar al jefe, quien se ocupa realmente del trabajo? Este libro nos enseña que dirigir consiste, paradójicamente, en servir a los demás, porque un buen líder está pendiente de sus subordinados para atender a sus legítimas necesidades, ayudarles a cumplir sus aspiraciones y aprovechar sus capacidades al máximo. Una reflexión inteligente sobre la responsabilidad moral que implica dirigir que ha servido de inspiración a numerosos directivos norteamericanos. / Getting Things Done offers a complete system for downloading all those free-floating gotta-dos clogging your brain into a sophisticated framework of files and action lists--all to free your mind to focus on whatever you're working on. If we could just get really, really organized, we could turn ourselves into 24/7 productivity machines.
