

Pacientul englez a fost ecranizat cu acelasi titlu in 1996, in regia lui Anthony Minghella, cu Ralph Fiennes si Kristin Scott Thomas in rolurile principale. Pacientul englez are drept personaje centrale patru oameni cu existente pustiite, impinsi de hazard sub acoperisul unei foste manastiri italiene, la sfirsitul celui de-al Doilea Razboi Mondial. E Hana, o infirmiera amortita de spectacolul suferintei si mortii atitor soldati ingrijiti; Caravaggio, un hot si spion mutilat, dependent de morfina; Kip, un genist sikh care-si pune zilnic viata in pericol dezamorsind bombe; si mai e misteriosul pacient cu trupul ars, de nerecunoscut, ingrijit de Hana, pe care lumea il ia drept englez si care incepe sa dezvaluie incet, incet o poveste de dragoste, cu aventuri in desert si razboi, ce ajunge sa-i bintuie si sa-i transforme pe ascultatorii sai. Pentru acest roman, autorului i s-a decernat prestigiosul Booker Prize si Governor Generals Award in Canada. Un roman ca un covor zburator, a carui magie face lumile apuse si timpurile uitate sa-si spuna povestea ... o carte ca un vis, cum rar au mai aparut in ultimii ani. (Time)
