

If you are planning a cruise to Panama Canal, be sure to learn about the fascinating back story of how both the country and canal came to be. One of the world's greatest engineering feats, the Panama Canal has become one of the world's most popular cruise itineraries and our new edition gives insight to this exciting destination. Detail and maps on all the ports and attractions plus a huge pull-out map of the entire Panama Canal. New expanded sections on both Panama and Caribbean ports plus all the history and archival photographs to take you through the construction of the canal.
