

Peace in the Process: How Adoption Built My Faith & My Family is the story of God's faithfulness through a season of infertility, two adoption processes, and the days since. Through it all, Kristin Hill Taylor learned God hears the desires of our hearts, even when the words of our prayers don't truly capture them. What others are saying: Peace in the Process is one woman's unexpected journey toward motherhood, but more than that, it's the story of anyone whose life didn't go according to plan. Kristin Hill Taylor shares a beautiful story of how God made a family "her family" through the beauty of adoption. Reading along, I imagined all of the adoptive families who would be richly blessed by reading these words. Even more, I prayed that this book would fall into the hands of many young women who might be weighing that difficult decision about how to handle an unplanned pregnancy. This book tenderly illustrates how God writes the most beautiful stories out of our deepest heartaches.
