

Wolf and his fellow SEAL team members have saved many lives, and been in even more harrowing situations, but their latest mission might prove the most difficult of all. Charged with rescuing American soldier, Sergeant Penelope Turner, from the clutches of ISIS, the men infiltrate the refugee camp where sheâ€™s believed to be held. The conditions are horrific, the search nearly impossible, but Penelope herself could prove the key to their successâ€if the SEALs can interpret her clues. An unforgiving desert, perilous mountain terrain, a rising body count and insurgents on the huntâ€all of this and more stands between the SEALs completing their mission and returning home to their women, left to bravely deal with fears of their own stateside. Sometimes a mission is more than one team can handle. With a little help from newfound friends, the SEALs wonâ€™t stop until theyâ€™ve won the day. Failure is not an option. ** Protecting the Future is the 8th and final book in the Seal of Protection Series. Each book is a stand-alone, with no cliffhanger endings.

Excel for Dummies Quick Reference (For Dummies Computer Book), 60 Multiplication Worksheets with 5-Digit Multiplicands, 1-Digit Multipliers: Math Practice Workbook (60 Days Math Multiplication Series), Cupcakes and Killer Heels (Mills & Boon Hardback Romance), Bitter Kind of Love: Prairie Devils MC Romance (Outlaw Love), Who Was Jesus? Fingerprints of The Christ, FDR,

Protecting the Future has ratings and reviews. CC said: These types of books can be boring or cheesy. But I loved this one. Actually thought it. Wolf and his fellow SEAL team members have saved many lives, and been in even more harrowing situations, but their latest mission might prove the most. This book is the wrap up novel for the SEAL of protection series, but it is also a connection book for two of her other series. Action packed and a.
