

Are you looking into how to advance your professional development through certification? Need a reliable and credible reference resource? No matter where you are in the process, make sure you have the most valuable review and resource tool at your disposal. The Nursing Knowledge Center's™ Psychiatric-Mental Health Nursing Review and Resource Manual is a must-have tool for nurses planning to take the American Nurses Credentialing Center's™ (ANCC's™) Psychiatric-Mental Health Nursing certification exam. Based on the official ANCC certification exam test content outline, this review and resource manual will help you:

- Study and analyze comprehensive material and concepts written by nursing experts.
- Develop a recommended seven-step plan to equip you for the exam and map out what to do on the day of the exam.
- Prepare for and familiarize yourself with psychiatric-mental health nursing standards of practice.
- And much more ... Make the Psychiatric-Mental Health Nursing Review and Resource Manual a key resource in your certification preparation.
