

In WINTERBORNE, Loie and Mias seventeenth birthdays brought more drama and surprises than they ever expected. Now, in Ravenstoke, they are adjusting to the aftermath and struggling to keep those newfound powers in check. When Andreas is called away to England under mysterious circumstances, a new guy is sent to Salcey Ridge in his place. Cian is smarmy and cocksure and Loie wants nothing more than to unleash a hellhound on him. Unfortunately, Cian isn't the only complication in their lives as the girls must also contend with the reappearance of Mr. Winterborne himself and Loie's most dreaded fear of all - a part in the school musical. Can the girls survive the rest of junior year unscathed?
