

How often have you heard the following:- Why do I have to change?- When will things finally calm down?- How do I introduce more change to my clients?- Why cant things be like they were before?- How do I succeed if they keep changing everything?- How do I cope with more uncertainty?- Whats wrong with staying the same?READY Thinkings five principles allow you to win when faced with change. More than two dozen Two Minute Drills , combined with real world wisdom, allow people to:- Quickly confront and move through potentially crisis-producing change- gain the courage to take risks- inspire themselves and their teams to create winning solutions- stay resolute in the face of challenge- ignite motivation that is ongoing and contagious.John Baker developed READY Thinking by observing how talented people overcome setbacks, confront change and find opportunity where others could not. READY Thinking delivers faster results and adoption of new ideas, more responsive service, teamwork across silos, highly motivated employees, and loyal clients. READY Thinking is an accessible formula -- reinforced by practical, hands-on exercises -- for leaders to use to get themselves and their organizations to win when facing change.John Baker is the founder of READY Thinking, LLC, an organizational and leadership development firm committed to helping individuals and organizations win when faced with change. For 25 years John has led thousands of individuals as senior vice president and COO at such leading firms as American Express and Ameriprise Financial. Through his career, John has brought his message to hundreds of organizations to help them find opportunity amid uncertainty. John has consulted with the worlds leading companies as well as the US Army and US Department of Defense.READY Thinking - Primed For Change won the prestigious AXIOM Award for best business book in the category of success/motivation.
