

Hatred runs deep when your friends are killed, even if you are a terrorist! An attack on the central United States killed thousands of Americans but also cost the lives of most of the fanatics. Not satisfied with the damage already done, the surviving extremists vow revenge. Their target: The man who played a key role in bringing their compatriots to justice, the President of the United States. Standing in the way is a super-secret international counter-terrorism group determined against overwhelming odds to prevent another disaster.
