

Marrying Brandon was something Julia always planned, but when it happens it's more a nightmare than a daydream. Julia's stepbrother Brandon abducted her and forced her to marry him in a desperate bid to secure his hold on her inheritance. A criminal move, yet she has no choice but to go along. However, as far as Julia is concerned, their marriage is nothing more than signatures on paper, and she plans to make Brandon very sorry for ever forcing her into it. That is, if she can keep her love for him from returning in the process. Intended for mature audiences.
