

Three sexy books in one volume! **Take A Risk** Trapper. **Risque**. Two names is all that sex therapist Doctor Lyssa Cutler has, but it's all she needs. Those two words reveal the name of a man and the name of the strip club that she'll find him in. She might not have expected to find the solution to her stalker problem in such a place, but she does. In fact, Trapper turns out to be far more than just the man capable of tracking down her pursuer. Colt Warner's better judgement tells him that he should reject the job offered to him by the inquisitive doctor because he can tell that this sassy sexpot is going to be trouble. Being attracted to a client goes against his usual ethics, but playing by the rules has never been his strong suit. Giving in to their sparking attraction lures reality into harsh focus. The stalker that brought them together doesn't like the picture that the new couple presents and seems prepared to do anything to tear them apart. Questions mount up, answers are elusive, and only one thing is clear, time is running out. **Risk It All** Blaser Warner has worked hard to put his past behind him. Building up his businesses and mending family bridges, he's finally got his life back on track. Brianna Wilcox was devastated when her heart was broken by her only love going to prison. Determined to carry on, she uprooted her life and cut all ties from her past. After suffering a horrific ordeal years later, she shuts herself off from the world. To recover from the horror she endured Bri knows that there's only one place she needs to be: home. Blaser couldn't stay away when he heard that Brianna was back in town. But being around her again brings old feelings to the surface. When Bri's associations bring trouble to her door, old habits die hard and Blaser rallies to protect her. All the promises he made are in jeopardy and the life he's built is threatened when he has to fight battles he thought he had left behind. But he knows Brianna is the only woman for whom he will risk it all. **Game Of Risk** Going about her uneventful life, the last thing commitment-phobe Layla Jansen expects is to be abducted from a business meeting by one of her brother's crazy friends. But her brother, Drew, does know how to get himself into trouble and this time he's investigating a case of corruption that goes all the way to the top. Ruger Warner has a debt to settle and protecting the pretty behind of his old ally is an easy way to put the past to rest. But the sassy vixen has legs which go all the way to heaven and a mouth that can match his wit. Layla promises her brother she'll do as he's told and let Ruger keep her alive. But that doesn't mean she plans to make it easy for the hulk of a man who thinks he can charm his way into every woman's good graces. Layla had been accused of many things in her time, being easy wasn't one of them, and Ruger is about to learn that the hard way. **Warning: Contains explicit language and imagery.**
