

Orphaned by tragedy, Rein Mackenzie was taken in by his benevolent uncle at the Kinnison ranch alongside two others abandoned at a young age. Now, he and his "brothers" carry on Jed Kinnison's dream of making the ranch a haven for those who need hope. But when a woman arrives claiming to be related to the Kinnisons, she brings danger not only to his heart, but to those he calls family. Liberty's presence is a surprise to the family she's never met, and while she yearns to belong, she knows her presence is a reminder of their painful past. Fearless, she dives in, losing her heart to the ranch, to the community, and to an unexpected summer fling. But when dangers from her past catch up to her, they may cost her everyone and everything she has come to love. "Rustler's Heart has it all!" This is a story that you won't want to put down. I highly recommend it! ~Margie Hager, Amazon Reviews
