

Santas Mile High MILF (Christmas MILF Erotica) Jessies husband has slowly grown distant, at least thats how she sees it. When she discovers, on Christmas Eve, that hes been cheating on her for a long time, she falls into a despondent mood, made worse by imbibing large quantities of rum-spiked eggnog. Lying on the couch drinking, alone, is no way to spend Christmas Eve, and Santa knows it. When he finds Jessie in that situation he takes matters into his own hands. In an effort to spread Holiday cheer, he takes her for a ride. Santas sleigh has plenty of room and one mile high, in the middle of the night sky, is one of his favorite places to cheer up pretty women. Jessies desires have long been dormant, her husband saw to that. But Santa wants them active, acted on, and is happy to make sure that her every desire is sated. This short erotic Christmas story is 7,000 plus words long and DRM free.
