

After years of struggle as a child and a teenager, trying to find her way in the world and understand her family and fellow human beings, Diane Kelley found her way to God through the Jehovah Witness faith. Finally, she believed she had a calling and a purpose in life-serving Jehovah by bringing others into the fold, thus receiving showers of blessings. Much to her dismay, things went awry immediately and she suddenly found herself in Satan's World. Satan was determined to thwart Diane and her family at every move and even sent a horde of demons to plague her until she found herself admitted to a mental hospital, diagnosed as a paranoid schizophrenic who was having hallucinations and hearing voices. Now Diana courageously tells her story of her battle against her demons, both those sent by Satan and those in the everyday world, hoping she can help others escape from Satan's World.
