

Michael Farquhar doesn't write about history the way, say, Doris Kearns Goodwin does. He writes about history the way Doris Kearns Goodwin's smart-ass, reprobate kid brother might. I, for one, prefer it. Gene Weingarten, two-time Pulitzer Prize winner and Washington Post columnist — Scandal! Intrigue! Cossacks! Here the world's most engaging royal historian chronicles the world's most fascinating imperial dynasty: the Romanovs, whose three-hundred-year reign was remarkable for its shocking violence, spectacular excess, and unimaginable venality. In this incredibly entertaining history, Michael Farquhar collects the best, most captivating true tales of Romanov iniquity. We meet Catherine the Great, with her endless parade of virile young lovers (none of them of the equine variety); her unhinged son, Paul I, who ordered the bones of one of his mother's paramours dug out of its grave and tossed into a gorge; and Grigori Rasputin, the Mad Monk, whose mesmeric domination of the last of the Romanov tsars helped lead to the monarchy's undoing. From Peter the Great's penchant for personally beheading his recalcitrant subjects (he kept the severed head of one of his mistresses pickled in alcohol) to Nicholas and Alexandra's brutal demise at the hands of the Bolsheviks, *Secret Lives of the Tsars* captures all the splendor and infamy that was Imperial Russia. Praise for *Secret Lives of the Tsars* — "An accessible, exciting narrative ... Highly recommended for generalists interested in Russian history and those who enjoy the seamier side of past lives." *Library Journal* (starred review) "An excellent condensed version of Russian history ... a fine tale of history and scandal ... sure to please general readers and monarchy buffs alike." *Publishers Weekly* — "Tales from the nasty lives of global royalty ... an easy-reading, lightweight history lesson." *Kirkus Reviews* "Readers of this book may get a sense of why Russians are so tolerant of tyrants like Stalin and Putin. Given their history, it probably seems normal." *The Washington Post*

Apple Growing in California, APIL Guide to Accidents at Work, Professional Negligence and Liability Reports 2001, *The Eye of Prey: Subversions of the Postmodern* (Theories of Contemporary Culture), *The Bhagavad Gita: A New Translation with Commentary*, *Dinosaurs the Fact Files*, *Uriels Descent* (Ubiquity Book 1), *Confessions of a Couch Potato*, *Fundamentals of Acoustic Signal Processing*,
