

In the eighth book of the Forever series we gain insight into the rest of the series characters feelings and motivations. Secrets are revealed as we explore the minds of the other characters and discover unexpected twists. Liv takes a trip to another world, finding out more about where she came from, but is her duty to her new family really something that she wants to be a part of? After suffering through a distressing ordeal, she is given a gift from her mother which changes everything for her. Finally learning the truth about the mysterious Remiel, she is forced to make a choice when a member of her team finds themselves in trouble... but will she make the right one?(Contains scenes of a graphic nature intended for mature readers only)
