

No one knows what the cloaked creature is or why it is so terrifying. The villagers of Wynnewood only know that they must stay away from the creature for fear of their physical and spiritual safety. An unfortunate encounter with a dragon introduces Philip Ward to the creature, and to his surprise, he finds a friend, confidante, and companion in more adventure than he'd ever dreamed possible. Follow Philip and the creature as they rescue a lame child, discover pirate treasure, and test the mettle of true friendship. *Shadows & Secrets* is the first book in the *Annals of Wynnewood*.
