

Real estate agent Madeline Hart has a passion for old houses so when she gets an opportunity to sell the crumbling Victorian mansion known as Ravenswood she couldn't be happier. To Madeline's dismay her first meeting with the estate's strange owner Michael Denver does not go well and when she learns that he is a suspect in the disappearance of his wife Laura, she is compelled to find out more. While she is delving into the mystery of Ravenswood Madeline finds herself getting close to handsome rival real estate agent Daniel Eastman. She soon discovers that despite his warmth and friendliness Daniel is a man with secrets of his own. Madeline begins to suspect that he may know more about the events at Ravenswood than he is revealing. Madeline's search for answers turns into a fight for her life as she struggles to work out which of the two men she can trust and how Laura's disappearance is connected to the tragic death of a young woman at Ravenswood one hundred years earlier.
