When you become a single parent there's plenty of change to cope with. My children and I are very conscious of the benefits of a happy home life. â€“ Mel,

I first became a single parent when my three girls were eight months, The best thing is it's created confident children who can make their own. Single parent families are families where the child or children live with one parent Some kids may never had one of their parents in their life. ?What are single parent - ?At home - ?Moving between parents.

Sociologists who have studied single mothers of different races, classes, and sexual orientations have found that those mothers are rarely raising their children . When you're the child of a single parent, you get used to the fact that they can't always be there. But the best part of my day was always when she came home. If you live with one parent, you know that a lot of other kids do, too. You also might feel happy that your parents split up and aren't fighting anymore, but you. Single parents and their kids can flourish, and there are plenty of examples to prove it. Make a list of single parentsâ€™ or children raised by a single parentâ€™ who .
