

His heart wants love. His mind craves revenge. His soul needs peace. Faced with the horrible reality that he's been tricked by Eva, Nolan sets off in a mad rage to find the evil red-haired succubus and end her once and for all. When the search for her falls flat, he turns to Kovah and the Rebel Riders for help. Not only fueled by wrath, a now sudden fear and sadness has also overtaken his heart: Where is his love, Charity? With Joel Reichert searching deep for what the Justice Department knows about the supernatural of New Orleans, he's not going to be of any help to Nolan especially once Nolan finds out what Kovah and the Riders are planning for Joel and his hotel of vampires. Can they all work together to find Charity and rid Louisiana of her evil succubus sister once and for all? Or will pride, egos, and longstanding feuds and hatred tear them all apart before she can be found? Find out in this third and final installment of the Rebel Riders Series.
