

Alcoholic Spirits Alcoholic Spirits come in various types, and are classified either as a clear spirit or dark spirit. The good thing about spirits is that they are flexible enough that you can serve them for various purposes. You can enjoy a sip of your favorite spirit after a long day at work to relax and relieve stress, or you can serve them to bond with your closest friends, loved ones, and family. If you are planning to host an event, then you can also include spirits on your menu. All it takes is to have enough knowledge about the different types, so you will know exactly how you can pair them with the dishes you plan to serve. Luckily, this book is available to further enlighten you about spirits and increase your knowledge about them. In this book, you will learn everything you want to know about spirits. You will learn about the different types as well as how spirits are produced. You will also gain valuable facts that you and other people probably don't know about these drinks. Lastly, you will gain valuable insights about pairing spirits with food so you can effectively serve them with various dishes. Lets have a look at some of the things you will learn... An overview of spiritsA short history of spiritsHow distilled spirits are producedDifferent kinds of spirits and their distinguishing qualities25 facts about spiritsBasic tips and suggestions on pairing spirits with foodsMuch, much more...
