

A guide to stencilling almost any surface - from walls and cupboards, to tiles and throws - cheaply and effectively. All the projects are described and illustrated with step-by-step instructions. The inclusion of six pages of ready-to-use templates, featuring all the designs used in the projects, means that no extra skill or money is required. Full details on all the materials, tools and techniques are provided in the book, as well as advice on drawing inspiration from nature, architecture, patterns and paintings in order to plan more stencil images.
