

[Siren Allure: Erotic Paranormal Romance, time travel, love triangle] Released from prison to find a murderer, a prison-hardened Varek Leale is convinced no woman deserves the man he's become, but his Aeveren destiny makes him succumb to sweet and sexy Callia Reynolds. To catch a murderer, he and Callia must find an Aeveren with the power to control time. But Amon Kalins isn't a man to trifle with, and when he wants something, he'll use his powers, devastating charm, and good looks to get it. When Amon manipulates time and seduces her away, Varek must turn to the people who set him free for help to get her back. But the Council doesn't do anything without requiring something in return, and what they want is Amon Kalins, one of the most powerful Aeveren ever. Varek will do what he must to capture Amon and find Callia. If he doesn't, she'll be lost to him for untold lifetimes. ** A Siren Erotic Romance
