

Strangers in Paradise is the story of three friends, Francine, Katchoo and David, and the people they fall in and out of love with. Its a tale of dark pasts and hopeful futures, double-crosses and true friendship, love and hate. In other words, its a story of real life, kicked up a notch. His characters live and breathe so vividly that it shows how much he loves them and induces the reader to love them, too. Moores artwork is consistently gorgeous--darkly cute, conveying emotion with subtle grace and a human touch. Strangers in Paradise is one soap opera no one should miss. --Booklist
