

True love can be hard to find. Even when it's been right under your nose all along! After witnessing the fallout of her parents' divorce, love has never been a priority for garden designer Frankie Cole. The only man in her life is her friend Matt—but that's strictly platonic. If only she found it easier to ignore the way he makes her heart race! Matt Walker has loved Frankie for years but, has always played it cool. Until he uncovers new depths to the girl he's known forever, and doesn't want to wait a moment longer. Matt knows Frankie has secrets and has buried them deep, but can he persuade her to kiss him under the Manhattan sunset?
