

Lynlee Lincoln isn't just a witch, she's also a Neutralizer. Her job is a juggling act to keep magical and undead clients out of trouble. But getting back together with her old flame throws one more ball into the mix and romance with a guy who has two kids can get complicated. When her old mentor asks her to investigate the goings-on of a dark witch, things turn messy. The witch is stalking supernatural creatures to collect ingredients for a potion that Lynlee can't seem to figure out. To keep those closest to her from becoming the next victims, she may have to confront the demons within herself.
