

This classic work of Chinese mysticism was written over 2500 years ago. Its author was Li Er, an enlightened sage and scholar known to the world as Lao Tzu (Venerable Master), who espoused a philosophy of the Way, or Tao: a method of non-striving existence, an effortless going with the flow. Poetic, Humorous, Wise, Deep-hearted, and at times frustratingly enigmatic, the Tao Te Jing is required reading for any student of mysticism and philosophy. It is also the perfect antidote to our contemporary materialist culture of acquisition and self-aggrandisement.
