

In this final volume of Leonaur's epic series of the fabulous Tarzan stories we have included three exciting adventures for your enjoyment. The first—the 23rd Tarzan story is Tarzan and the Madman. The jungle drums are declaring Tarzan as an enemy of all the tribes. He has not only enslaved their women and the daughter of a millionaire, but has also declared himself a God! Needless to say this criminal is not the real Tarzan, who is now preparing to bring the usurper to book, clear his name and—of course—rescue the girl! In the 24th tale, Tarzan and the Castaways, Tarzan once more finds himself far away from his beloved Africa and stranded upon an uncharted Pacific Island together with a peculiar assortment of survivors. Bloodthirsty brigands and ferocious Malay tribesmen threaten, but Tarzan is about to receive help from a totally unforeseen source. The final tale in this classic collection from the pen of Edgar Rice Burroughs is Tarzan and the Tarzan Twins—which is a story for younger readers and is included in this volume as a special bonus for all Tarzan enthusiasts. All the Tarzan stories are available from Leonaur in matching, series covers in softcover or hardcover editions with dust jackets.
