

This author can really write beautiful romance! -- HEA BookshelfReaders who love Susan Mallery, Robyn Carr, and Jill Shalvis will adore Katy Regnery's sweet heat Heart of Montana romances. Waitress Tess Branson has earned a bad reputation, and the nickname Fast Tessie, as result of her poor judgement where men are concerned. With a body that matured early, Tess learned from a young age that men - of all ages - were interested in one thing from her. But all Tess has ever really wanted was to connect with someone special - to mean something to someone. Lucas Flynn, the short order cook at the restaurant where Tess works, has just been released on parole. He's trying to get his life back on track, but can't help noticing the pretty waitress who treats him kindly, despite his past. At Lucas's urging, Tess makes a wish on a star, but they'll have to rely on the magic of Christmas to help it come true.
