

The Cowboy Steals a Bride A Sweet Historical Mail Order Bride Romance (rated PG) [Note: Each book in this trilogy stands alone and may be read in any order] Intended for his brother, but perfect for him. Whatâ€™s a cowboy to do? California 1896 Sheâ€™s given up everything to seize her dream! Julia Tyndall knows exactly what she wants: freedom and her choice of husbands, far away from Baltimore society. Holmesâ€™s letters won her over, but itâ€™s the work-hardened, beautifully imperfect reality in denim and chambray that steals her heart. But itâ€™s not Holmes she meets on the train platform! itâ€™s his brother. Days stretch into weeks and Holmes is nowhere to be found. How is a bride to remember and honor a marriage agreement when her groomâ€™s never around? Heâ€™s losing his heart to his brotherâ€™s bride! Conrad Macquarie doesnâ€™t have much patience for women on his dairy, even his brotherâ€™s bride. Sheâ€™s enamored with the intricate workings of his dairy enterprise, too intelligent, uncommonly beautiful, a far sight too appealing. Worse yet, sheâ€™s the only woman whoâ€™s ever seen past the scarred surface to the man beneath. Every moment spent with her blurs the familial lines, heating friendship into more than he should take. But itâ€™s so much less than he wants. If Holmes doesnâ€™t get himself home soon, thereâ€™s no telling what lines Conrad just might cross. The Cowboy Steals a Bride is a full-length historical romance of approximately 95,000 words (370 paperback pages). This is a stand-alone sweet romance, complete with hard-earned happy ending. It is the second book in the Husband-Maker Trilogy.

The works of John Woolman.
