

\*\*This is the second version of The Dead Party. The original, much shorter version was published by Sirens Call Publications 2012. Imagine the United Kingdom after an election, where the party of choice “ the party now in charge of every decision ” is The Dead Party. Stinks, right? Follow our heroine as she recounts how her life, her country, and her access to fish and chips - a basic right in any UK home - changed unimaginably. And see what fate awaits her on an island where the Dead reek and speak and chase her into trees. This is a political satire, exploring an island ruled by zombies, a massive recruitment initiative, an unpredictable supernatural power, a whole lot of rot... Oh, and one incredibly sly cat! \*\*\*You can get the update for the second edition of this book (if you already own an older copy) by going to Manage Your Kindle.
